

Hello everyone,

Well things are not slowing down since I returned from Washington D.C. In fact things are picking up speed.

As you already know my trip to D.C. was a success both for myself and the National Epilepsy Foundation. Over 8000 people attended the National Walk and over \$1.3 million dollars was raised. The Epilepsy foundation said this was the most successful event ever for them. I remain in contact with several of the people on Capital Hill. They have all been great! Pictures from D.C. can be viewed [here](#).

Sara's 3<sup>rd</sup> Annual Walk is only weeks away. I hope that as many of you as possible can join me, my sisters and parents on May 3<sup>rd</sup> from 12pm to 2pm and we walk the SUNY New Paltz Campus to raise funds and awareness for and about epilepsy. All money raised will benefit those the Epilepsy Foundation of Northeastern New York serves. Sponsor forms are available by downloading the form at [www.itsnotwhoiam.com](http://www.itsnotwhoiam.com) Home Page. **NEW** this year, sponsors can make a direct donation from the [www.itsnotwhoiam.com](http://www.itsnotwhoiam.com) Home Page via the "[TO MAKE AN ON-LINE DONATION CLICK HERE](#)" link.

Cumulus Radio will be there, representing the walk with one of their local radio stations. They will make announcements, provide entertainment, and give out promotional prizes and talk about the walk on the air.

My walk has also been very fortunate to receive national media attention from 77 WABC Radio. One of Radio's best known legendary broadcasters, Don Imus, has talked about the walk live during Imus in the Morning on 77WABC-AM. I cannot thank him enough for this!

Again, I hope to see as many of you as possible on May 3<sup>rd</sup>!
